MESSAGE FROM THE PRESIDENT OF OUR BOARD

Greetings from Deer Lake. The “dog days of summer” are winding down. It has been a great summer so far, with the monsoon rains coming in right on schedule to help green things up and cut down on the fire danger. Total rain for July was almost five inches in my meadow, so everything is growing.

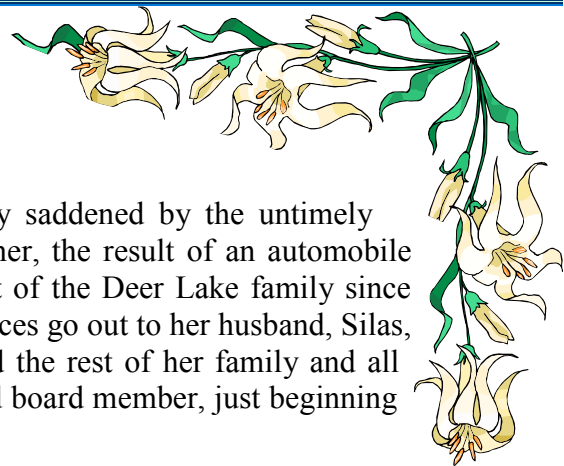

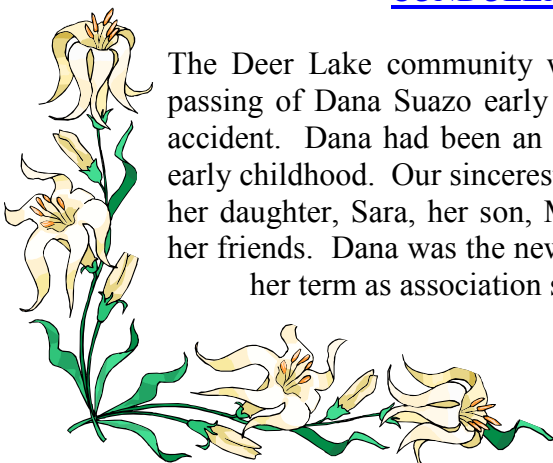

I want to remind you of a couple of things: First, be sure to plan to attend the Deer Lake Annual Picnic. It will be the Sunday of Labor Day weekend, at twelve noon in the aspen grove below the lake. Details on what to bring, etc., are elsewhere in this newsletter. Second, the fall Deer Lake Association membership meeting will be Monday, October 6. It will be held at the Bohannon – Huston complex and will begin at 7:00 PM. Plan to be there to catch up on the latest. Your participation helps ensure that your voice is heard. The board values your opinion, but if you don't speak up we don't know what it is.

See you at the picnic.

Larry Wiles, President

CONDOLENCES

The Deer Lake community was greatly saddened by the untimely passing of Dana Suazo early this summer, the result of an automobile accident. Dana had been an active part of the Deer Lake family since early childhood. Our sincerest condolences go out to her husband, Silas, her daughter, Sara, her son, Miguel and the rest of her family and all her friends. Dana was the newly elected board member, just beginning her term as association secretary.

DEER LAKE THINNING PROJECT

Per Brian Velarde of the Cuba Soil and Water Conservation office, all paperwork has been completed to permit resumption of the thinning project begun last fall. His plan is to first contact those people who were on the list for thinning last year, then to take new applications. It's possible that the cost to the landowner may be somewhat higher this year, due to increased contractor costs resulting from higher fuel prices, etc. Brian will have details when he contacts you.

NEW BOARD SECRETARY

Marty Langeler has agreed to fill the position as Deer Lake Association secretary vacated by Dana Suazo's passing. He was nominated and approved by the Board of Directors as provided by the Deer Lake Association Bylaws. He will be a valuable asset to the association. Thanks, Marty, for stepping up.
