To: glynt@hotmail.com <glynt@hotmail.com>

Deer Lake Association Members,

Many of you have been following the prescribed burn progress on Facebook as the U.S. Forest, Patrick Petracca, has been actively posting updates and photos. As he has stated, the prescribed burn has come to an end for this winter and any unburned piles will be burn next winter. There are a few piles that were still smoldering as of the last update but with the anticipated snow yesterday and today it was expected to help cool these areas down. I'd recommend that all members view his posting on the Deer Lake Estates Facebook page.

The U.S. Forest Service will be hosting a TEAMS call to update the community on the progress of the prescribed burns. If you are interested in this information all are encouraged to call-in.

**Date: Friday, March 3, 2023**

**Time: 2:00pm to 3:00pm MST**
