

DLA - Spring 2023 Minutes Posted & Other Information

Deer Lake Board <krys.rodriquez13@gmail.com>

Tue 4/4/2023 8:40 PM

To: glynt@hotmail.com <glynt@hotmail.com>

Good Evening Deer Lake Association Members,

The purpose for this email is to notify the Association that the Minutes for the October 2022 Association Meeting have been posted in their final form and the March 2023 Association Minutes have been posted in their draft form to the Deer Lake website for your reading pleasure. As a reminder, the Association minutes can be found at <https://deer-lake.net/> under "Documents-Information" and then "Association Meeting Minutes." Please note that an Addendum has been added to the March 2023 Association Minutes clarifying the application of the Aquacide product that the Association approved to be used for weed control this summer.

The Board has conducted its first meeting of the fiscal year (April 1, 2023 to March 31, 2024) this evening and has selected positions for the five board members. For the Association's awareness, the five Board positions will be filled by the following individuals:

President: Glen Flanders

Vice-President: Steve Holbrook

Secretary: Krystal Rodriguez

Treasurer: Robert Starkey

Member-at-Large: John Bailey

Thank you to Steve Holbrook for agreeing to join the Board this year.
Thank you to Robert Starkey and John Bailey for agreeing to serve on

the Board again. As reflected in the March 2023 Association Minutes, I have agreed to stay on the Board for an additional year to fill the vacancy from last year. Both Glen's term and my term will be up in March 2024. The Deer Lake website will be updated in the coming days with this year's Board member names, positions and contact information so that the Association Members can contact us should the need arise.

As we all know there has been an abundance of snow at Deer Lake this winter and we are all hopeful that this will fill the lake to a reasonable level for our summer enjoyment. At the March 2023 Spring Meeting, the Association approved the Board to make plans to stock the lake this year with fish. Be advised, the 2023 Fishing Permit Order Forms are being mailed out to lot owners this week - keep an eye out for this in your mail! **Be sure to have your fishing permit order returned to the Board by April 30, 2023. The revenue collected from the fishing permit sales will dictate the amount of fish to be ordered in early May.**

Lastly, for those Association members that have lost a family member and would like their name to be displayed on the Deer Lake Memorial Board please provide the name of the individual (as you would like it written on their plaque) and their date of passing to the Secretary, Krystal Rodriguez (krys.rodriguez13@gmail.com). The Board will work together to get the plaques made and installed this summer.

If you have any questions regarding this email or any other topics don't hesitate to contact me or any of the DLA Board Members.

Thank You,
Krystal Rodriguez
Secretary
