Good Evening Deer Lake Association Members,

The Board would like to invite all Association Members and their families to our first Lake Clean-Up of the season. The lake itself is looking pretty awesome but lets keep its surroundings looking nice and trim. **Please join us for the June Lake Clean-Up on Saturday, June 24, 2023 starting at 9am.** Please bring your hat, sunscreen, gloves and water for hydration just in case its a warmer summer day. Also, if you have mowers, weed trimmers, shovels, a chainsaw (might need to tackle a few more of those dead Aspens), rakes, trucks to haul away green waste etc. please bring them as they may be useful in making the clean-up successful. We will most likely need to tidy around both the upper and lower lake so the more hands we have the quicker this will go. **PLEASE COME HELP!!** For your awareness, the Board plans to apply the second Aquacide application to the lake during lake clean-up.

**After the lake Clean-Up, we would like to invite the Association Members and their families for a lunch potluck up around the upper lake at 12pm/Noon.** Bring an appetizer, finger food, dessert etc. to share and lets have lunch together. Please bring your own chair and beverage. Plates, napkins and utensils will be provided. If you have any games (i.e. ladder ball, horseshoes etc) please feel free to bring them for entertainment. My family will bring our Cornhole boards.

If you are not able to join us for lake clean-up, please do not let that stop you for joining us for our June Potluck. We would love to see as many Association Members there so we can continue to get to know one another and build our Deer Lake community.

If you have any questions regarding the June Lake Clean-Up or the Potluck please do not hesitate to contact me. Hope to see you all there!

Thank You,  
Krystal Rodriguez  
Secretary
