A vertical poster for an August Lake Clean Up event. The background is a scenic photograph of a lake with evergreen trees and a mountain peak in the distance. The sky is overcast. The text is overlaid on the image. At the top, the title 'August Lake Clean Up' is written in a large, black, serif font. Below it, the date and time 'AUGUST 5TH - 8 AM' is written in a smaller, black, sans-serif font. A central green rectangular box contains two paragraphs of white text. The first paragraph is a general invitation, and the second paragraph lists items to bring and the location of the clean-up. The bottom of the poster features decorative white curved lines.

# August Lake Clean Up

AUGUST 5TH - 8 AM

**Please come out and help us keep the lake looking beautiful and well maintained.**

**Remember to bring your hat, sunscreen, gloves and water for hydration. Also, if you have mowers, weed trimmers, shovels, a chainsaw (might need to tackle a few more of those dead Aspens), rakes, trucks to haul away green waste etc. please bring them as they may be useful in making the clean-up successful. We will mostly likely need to tidy around both the upper and lower lake, so the more hands we have the quicker this will go.**

**Join your Deer Lake  
neighbors at the  
Sandoval County Fair Rodeo**

**August 5, 2023, at 6:00 PM**

**37 Rodeo Drive, Cuba NM**

Let's meet around the lake  
at 5:15 pm and caravan  
together to the  
fairgrounds so we can be  
parked and seated for the  
6pm start time.

**Tickets:**

**\$10 Adult**

**\$5 child/Senior65+**

**Uniform day: Free with ID**

**JOIN US FOR HAPPY HOUR**  
**HOSTED AT: THE STARKEY CABIN**

Lot # 111, off Old HWY 126  
just past the "Buxton" sign  
on the right side of the  
road.

**LIGHT SNACKS WILL BE PROVIDED.**  
**BRING YOUR OWN BEVERAGE AND CHAIR.**

Thank you to Helen Herring for helping make these creative advertisements. We hope you can make one, two or all three events we have planned for August.

Hope to see you all soon!
