Good Evening Deer Lake Association Members,

I wanted to send a quick note thanking all our members who volunteered this past Saturday, June 24th for our first lake cleanup. When I arrived at Deer Lake on Friday I saw the height of the grass and was like "oh-no, we have our work cut out for us." However, I was so happy to see the turnout of volunteers on Saturday and all that we were able to accomplish as a team. The grass got cut, weeds were removed, three dead aspen trees were cut down and waste was hauled away. What a successful event because of all of our volunteers time, talent and efforts.

I personally want to thank all our volunteers: Jim Mangham, Glen Flanders, Robert and Julia Starkey, Steve Holbrook, Jonathan, Jill and Jessica Skiles, Gil, Phil and Tiffany Casados, Marcelino Montoya, Helen Hering, Sara and Emily Money, Steve and Ken Berniklau, Larry and Kathy Tafoya, Damacio Otero, Robert, Krystal and Elena Rodriguez, and Chris Tront. Without you, we wouldn't have had such a good time and been so productive all while leaving Deer Lake looking so nice!

If you were unable to make Saturday's lake cleanup and have some time to help at the lake in the coming days and weeks please feel free to trim and deweed around the lake as your schedule allows. There is always more that can be done!

Also, thank you all the families that participated in our first social event of the summer, our lunch potluck. Lots of good food and conversation was shared and we got to know one another a little better. Thank you to our very own Glen Flanders and all the volunteers who churned the ice cream so we could all enjoy some homemade ice cream after a morning of hard work.

I encourage all association members and their families to come out to our Deer Lake events so we can get to know one another and work together to make Deer Lake a great family-focused community. A subsequent email will be coming out in the next few days outlining more events the Board and other volunteers have planned to bring some fun and a sense of community to Deer Lake.

Below are a few pictures I captured from this weekend's events. Enjoy!
