Hello Deer Lake Association Members,

The Board wanted to inform the members that we finally received the permit from the U.S. Forest to maintain the upper part of Old HWY 126. This will serve as an emergency exit for lot owners if ever needed.

Upon receipt of the permit, Glen contacted Association Member, Mr. Tim Chavez, to initiate his assistance in completing the work as approved by the Association back in March 2023. Mr. Chavez has agreed to perform the work and may be able to start as soon as this weekend. The Board will keep you informed on the progress of this project as we receive it.

Thank You,
Krystal Rodriguez
DLA Secretary
